To whom it concerns,

I've known Jay and his mother Omana since the fall of 2016. I'm a US Citizen whom he employed to care for his mother and complete other house hold tasks. His mother Omana's greatest joy and pleasure in life is family. To whom this letter may concern please reunite Jayakrishnan Nair to his mother, he cares very deeply for her and wants to be by her side. Thank you for understanding how valuable and important this is. Do not keep her in isolation. If she's able to travel to India please make arrangements that allow for this. It would be fulfilling honoring and respecting Omana's highest wishes and hopes in her life. She is limited in speech but cognitively aware and this would be her request to be with family. The greatest memory I have of this family was hosting a birthday party for Omana that gathered everyone she loved in the same place. Second, I write this email in hopes that this request would be honored. Thank you.

Kind Regards,

Miki Shockley
